A. The Amalgamation would create meaningful value to various stakeholders including respective Shareholders, Customers, Employees, as the combined business would benefit from increased scale, wider product diversification, stronger balance sheet and the ability to drive synergies across revenue opportunities, operating efficiencies and underwriting efficiencies, amongst others.

- B. The Amalgamation will result in material realizable synergies for the benefit of both sets of shareholders, a large common shareholder base and stable market perception in relation to the Amalgamation.
- C. BFIL has a commercially established model in the microfinance segment. The Amalgamation shall provide the Bank access to BFIL's growing customer base and outlets which would help in building a strong liability book which will help in reducing cost of funds and increase cross-sell opportunities of various main-stream banking products to financially underserved customers in rural India.
- D. The Amalgamation would offer the Bank a deeper reach in the low income segment, and also increase the access of BFIL's customer base to the Bank's wide array of products and services.
- E. The Bank can, pursuant to the Amalgamation, leverage BFIL's loan book in furtherance of its focus on Financial Inclusion and Priority Sector Lending and for alignment of the mission objectives of both BFIL and the Bank.
- F. The Preferential Allotment shall result in bolstering the capital base and Balance sheet of the Bank and shall provide growth capital for the future growth of the Bank.
- G. The Slump Exchange of the Transferred Undertaking pursuant to the Scheme would provide the Bank with access to dedicated business correspondent services through the Applicant Company which will help deepen the reach and widen the delivery mechanism of banking services by improving last-mile connectivity, and help the Bank in fulfilling its commitment towards financial inclusion in a commercially viable manner. At the same time, this would enable the Bank, after the Amalgamation, to comply with the RBI's circular on Financial Inclusion by Extension of Banking Services Use of Business Correspondents dated June 24, 2014 read with the RBI Master Circular on Branch Authorization dated July 1, 2014, which, inter alia, prohibit a banking company from carrying on the business correspondent business directly.
- (g) The financial position of the Applicant Company will not be adversely affected by the Scheme. The Applicant Company will be able to meet and pay its debts as and when they arise and become due in the ordinary course of business. The rights and interests of the members and the unsecured creditors of the Applicant Company will not be prejudiced by the Scheme.
- (h) No investigation or proceedings have been instituted or are pending in relation to the Applicant Company, BFIL and the Bank under the Act.

- (b) The Amalgamation will result in material realizable synergies for the benefit of both sets of shareholders, a large common shareholder base and stable market perception.

- (d) The Amalgamation would offer IBL a deeper reach in the low income segment, and also increase the access of BFIL's customer base to IBL's wide array of products and services.
- (e) IBL can, pursuant to the Amalgamation, leverage BFIL's loan book in furtherance of its focus on financial inclusion and priority sector lending and for alignment of the mission objectives of both BFIL and IBL.
- (f) The Preferential Allotment to the promoters of IBL is being made to obtain upfront capital commitment and support for the growth and expansion of IBL following the Amalgamation. The same shall result in bolstering the capital base and balance sheet of IBL and shall provide growth capital for its future growth.
- (g) The Slump Exchange of the Transferred Undertaking pursuant to the Scheme would provide IBL with access to dedicated business correspondent services through IFIL which will help deepen the reach and widen the delivery mechanism of banking services by improving last-mile connectivity, and help IBL in fulfilling its commitment towards financial inclusion in a commercially viable manner. At the same time, this would enable IBL, after the Amalgamation, to comply with the RBI's circular on Financial Inclusion by Extension of Banking Services Use of Business Correspondents dated June 24, 2014 read with the RBI Master Circular on Branch Authorization dated July 1, 2014, which, *inter alia*, prohibit a banking company from carrying on the business correspondent business directly.

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of IndusInd Bank Limited (the 'Bank') for the quarter and half year ended September 30, 2018 (the 'Statement'), being submitted by the Bank pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The disclosures relating to "Pillar 3 under Basel III Capital Regulations", "Leverage Ratio" and "Liquidity Coverage Ratio" as have been disclosed on the Bank's website and in respect of which a link have been provided in aforesaid Statement have not been reviewed by us. This Statement is the responsibility of the Bank's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. ## **RATIONALE OF THE SCHEME**

- 1. The Amalgamation would create meaningful value to various stakeholders including respective shareholders, customers, employees, as the combined business would benefit from increased scale, wider product diversification, stronger balance sheet and the ability to drive synergies across revenue opportunities, operating efficiencies and underwriting efficiencies, amongst others.
- 2. The Amalgamation will result in material realizable synergies for the benefit of both sets of shareholders, a large common shareholder base and stable market perception.
- 3. The Amalgamating Company has a commercially established model in the microfinance segment. The Amalgamation shall provide the Amalgamated Company access to the Amalgamating Company's growing customer base and outlets which would help in building a strong liability book which will help in reducing cost of funds and increase cross-sell opportunities of various main-stream banking products to financially underserved customers in rural India.
- 4. The Amalgamation would offer the Amalgamated Company a deeper reach in the low income segment, and also increase the access of the Amalgamating Company's customer base to the Amalgamated Company's wide array of products and services.
- 5. The Amalgamated Company can, pursuant to the Amalgamation, leverage the Amalgamating Company's loan book in furtherance of its focus on financial inclusion and priority sector lending and for alignment of the mission objectives of both the Amalgamating Company and the Amalgamated Company.
- 6. The Preferential Allotment shall result in bolstering the capital base and balance sheet of the Amalgamated Company and shall provide growth capital for its future growth.
- 7. The Slump Exchange of the Transferred Undertaking pursuant to the Scheme would provide the Amalgamated Company with access to dedicated business correspondent services through the Transferee Company which will help deepen the reach and widen the delivery mechanism of banking services by improving last-mile connectivity, and help the Amalgamated Company in fulfilling its commitment towards financial inclusion in a commercially viable manner. At the same time, this would enable the Amalgamated Company, after the Amalgamation, to comply with the RBI's circular on Financial Inclusion by Extension of Banking Services Use of Business Correspondents dated June 24, 2014 read with the RBI Master Circular on Branch Authorization dated July 1, 2014, which, *inter alia*, prohibit a banking company from carrying on the business correspondent business directly.
