IV KEY RISK FACTORS

Each investor should carefully consider the following risk factors as well as the other information contained in this Disclosure Document prior to making an investment in the Bonds. In making an investment decision, each investor must rely on its own examination of the Issuer and the terms of the offering of the Bonds, including the merits and risks involved. The risks described below are not the only ones that may affect the Bonds. Additional risks not currently known to the Issuer or factors that the Issuer currently deems immaterial may also adversely affect the Issuer's business, financial condition and results of operations. The market price of the Bonds could decline due to any one or more of these risks or such factors.

1. Risk Relating to the Bank:

The Bank's business, financial conditions and results of operations could suffer and, therefore, the value of the Bank's Debentures could decline and/or the Bank's ability to meet its obligations in respect of the Debentures could be affected. More than one risk factor may have simultaneous effect with regard to the Debentures such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No prediction can be made as to the effect that any combination of risk factors may have on the value of the Debentures and/or the Bank's ability to meet its obligations in respect of the Debentures. Potential investors should perform their own independent investigation of the financial condition and affairs of the Bank, and their own appraisal of the creditworthiness of the Bank. Potential investors should consult their own financial, legal, tax and other professional advisors as to the risks and investment considerations with respect to the Debentures. Potential investors should thereafter reach their own views prior to making any investment decision.

The Bank believes that the factors described below represent the principal risks inherent in investing in the Debentures, but the inability of the Bank, as the case may be, to pay principal or other amounts on or in connection with any Debentures may occur for other reasons and the Bank does not represent that the statements below regarding the risks of holding any Debentures are exhaustive.

Please note that unless specified or quantified in the relevant risk factors, the Bank is not in a position to quantify the financial or other implications of any risk mentioned herein below.

Bonds/Debentures may be illiquid in the secondary market.

The Bank intends to list the Debentures on the WDM segment of NSE. The Bank cannot provide any guarantee that the Debentures will be frequently traded on the Stock Exchange and that there would be any market for the Debentures. It is not possible to predict if and to what extent a secondary market may develop for the Debentures or at what price the Debentures will trade in the secondary market or whether such market will be liquid or illiquid. The fact that the Debentures may be so listed or quoted or admitted to trading does not necessarily lead to greater liquidity than if they were not so listed or quoted or admitted to trading.

If the Bank is not able to control or reduce the level of NPAs in its portfolio, or if there is any increase in provisioning requirements mandated by the RBI, its business will suffer.

As of December 31, 2016, the Bank's net NPAs amounted to Rs. 400.70 crore, or 0.39 percent of its net advances, as compared to Rs. 273.34 crore, or 0.33 percent of its net advances, as of December 31, 2015, which is an increase of 46.59% over the year. A number of factors may affect the Bank's ability to control and reduce non-performing and restructured loans. Some of these factors, including developments in the Indian economy, movements in global commodity markets, global competition, interest rates and exchange rates, are not within the Bank's control.

Although the Bank is increasing its efforts to improve collections and to foreclose on existing nonperforming loans, there is no assurance that it will be successful in its efforts or that the overall

quality of its loan portfolio will not deteriorate in the future. If the Bank is not able to control and reduce its nonperforming loans, or if there is a further significant increase in its stressed assets under restructured loans, its business, future financial performance, shareholders' funds and the price of the Capital Securities could be adversely affected.

There can be no assurance that there will be no increase in provisions for loan losses as a percentage of NPAs or otherwise, or that the percentage of NPAs that the Bank will be able to recover will be similar to the Bank's past experience of recoveries of NPAs. In the event of any deterioration in the Bank's asset portfolio, there could be an adverse impact on its business, future financial performance, shareholders' funds and the price of the Capital Securities.

The Bank is exposed to fluctuation in foreign exchange rates and other risks.

The Bank undertakes various foreign exchange transactions to hedge its own risk and also for proprietary trading, which are exposed to various kinds of risks including but not limited to settlement and pre-settlement risk, market risk and exchange risk. The Bank has adopted certain market risk management policies to mitigate such risks by imposing various risk limits such as counterparty limits, country wide exposure limits, overnight limits, intraday limits and monitoring the Value at Risk (the "VaR"). The Bank follows the model approved by Foreign Exchange Dealers' Association of India ("FEDAI") to arrive at the VaR. However, the Bank is exposed to fluctuation in foreign currency rates for its unhedged exposure.

Adverse movements in foreign exchange rates may also impact the Bank's borrowers negatively which may in turn impact the quality of the Bank's exposure to these borrowers. Volatility in foreign exchange rates could adversely affect the Bank's future financial performance and the market price of the Capital Securities.

In addition to foreign exchange risk and interest rate risk as described above, the Bank may also be exposed to other different types of risk during its operation and entering into transactions, including but not limited to credit risk, counterparty risk, market risk, liquidity risk and operational risk.

The Bank's risk management policies and procedures may leave it exposed to unidentified or unanticipated risks, which could negatively affect its business or result in losses.

The Bank's hedging strategies and other risk management techniques may not be fully effective in mitigating its risk exposure in all market environments or against all types of risk, including risks that are unidentified or unanticipated. Some methods of managing risk are based upon observed historical market behaviour. As a result, these methods may not predict future risk exposures, which could be significantly greater than the historical measures indicated. Other risk management methods depend upon an evaluation of information regarding markets, clients or other matters. This information may not in all cases be accurate, complete, up-to-date or properly evaluated. Management of operational, legal or regulatory risk requires, among other things, policies and procedures to properly record and verify a large number of transactions and events. The Bank has in place a Risk Management Committee at the board level, which reviews and further refines risk management policies and procedures on an ongoing basis. Although the Bank has introduced these policies and procedures, they may not be fully effective which could adversely impact its future performance and the trading price of the Capital Securities.

The Bank may not be able to detect money-laundering and other illegal or improper activities fully or on a timely basis, which could expose it to additional liability and harm its business or reputation.

The Bank is required to comply with applicable anti-money-laundering ("AML") and anti-terrorism laws and other regulations in India and in other jurisdictions where it has operations. These laws and regulations require the Bank, among other things, to adopt and enforce know-your-customer ("KYC") policies and procedures and to report suspicious and large transactions to the applicable regulatory authorities in different jurisdictions. While the Bank has adopted policies and procedures aimed at detecting and preventing the use of its banking networks for money-laundering activities and by terrorists and terrorist-related organisations and individuals generally, such policies and procedures may not completely eliminate instances where the Bank may be used by other parties to engage in money laundering and other illegal or improper activities due to, in part, the short history of these policies and procedures.

Banking is a heavily regulated industry and material changes in the regulations that govern the Bank could cause its business to suffer.

Banks in India are subject to detailed supervision and regulation by the RBI. In addition, banks are subject generally to changes in Indian law, as well as to changes in regulation, government policies and accounting principles. The laws and regulations governing the banking sector could change in the future and any such changes may adversely affect the Bank's business, future financial performance and the price of the Capital Securities.

A slowdown in economic growth in the country could cause the Bank's business to suffer.

The Bank's performance and the growth of its business are necessarily dependent on the health of the overall Indian economy. As a result, any slowdown in the Indian economy could adversely affect the Bank's business. The economic growth of India has deteriorated in the last fiscal year. It is difficult to assess the impact of these fundamental economic changes on the Bank's business. Any further slowdown in the Indian economy could adversely affect the Bank's business, results of operations, financial condition and prospects.

Rating Downgrade Risk:

The current issue has been rated "CRISIL AA", Outlook Stable by CRISIL and "IND AA", Outlook Stable by India Ratings & Research. Our other debt instruments are rated investment-grade by CRISIL, India Ratings & Research (the Indian subsidiary of Fitch), and ICRA as follows:

- CRISIL AA+ for Infrastructure bonds from CRISIL
- IND AA+ for Senior bonds program by India Ratings and Research & ICRA AA+ from ICRA
- IND A1+ for Short Term Debt Instruments by India Ratings and Research and CRISIL A1+ for certificate of deposit program by CRISIL.

In the event of deterioration in the financial health of the bank, there is possibility that the Rating agency may downgrade the ratings of the Debentures/Bonds. In such a case, a potential investor may incur losses on revaluation of the investments or may have to make provisions towards sub-standard / non performing investment as per their standard norms. The rating is not a recommendation to purchase, hold or sell the Debentures in as much as the ratings do not comment on the market price of the Debentures or its suitability to a particular investor. There is no assurance either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the Rating Agency

Any downgrade in our credit ratings may increase interest rates for refinancing our outstanding debt, which would increase our financing costs, and adversely affect our future issuances of debt and our ability to raise new capital on a competitive basis, which may adversely affect our profitability and future growth.

In addition, any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing and the interest rates and other commercial terms at which such financing is available. This could have an adverse effect on our business and future financial performance and our ability to fund our growth.

Tax Considerations and Legal Considerations

Special tax considerations and legal considerations may apply to certain types of potential investors. Potential investors are urged to consult with their own financial, legal, tax and other professional advisors to determine any financial, legal, tax and other implications of this investment.

Accounting Considerations

Special accounting considerations may apply to certain types of taxpayers. Potential investors are urged to consult with their own accounting advisors to determine implications of this investment.

Material changes in regulations to which the Bank are subject could impair the Bank's ability to meet payments or other obligations

The Bank is subject generally to changes in Indian law, as well as to changes in government regulations and policies and accounting principles. Any changes in the regulatory framework could adversely affect

the profitability of the Bank or its future financial performance, by requiring a restructuring of its activities, increasing costs or otherwise.

The Bank is required to maintain its capital adequacy ratio at the minimum level required by the RBI for domestic banks. There can be no assurance that the Bank will be able to access capital as and when it needs it for growth.

The RBI requires Indian banks to maintain a minimum Tier 1 capital adequacy ratio of 7.625 percent (including CCB of 0.625%) and a minimum risk weighted capital adequacy ratio of 9.625% (including CCB of 0.625%).

As per Basel III norms, the Bank's CET 1 and Total Capital Adequacy Ratios as on March 31, 2016, were 14.92% and 15.30% respectively. As on December 31, 2016, it was 14.74% and 15.31% respectively.

The Bank is exposed to the risk of the RBI increasing the applicable risk weight for different asset classes from time to time. The Bank's current capitalization levels are in line with these requirements. However, unless the Bank is able to access the necessary amount of additional capital, any incremental increase in the capital requirement may adversely impact the Bank's ability to grow its business and may even require the Bank to withdraw from or to curtail some of its current business operations. There can also be no assurance that the Bank will be able to raise adequate additional capital in the future at all or on terms favourable to it. Moreover, if the Basel committee on banking supervision releases additional or more stringent guidance on capital adequacy norms which are given the effect of law in India in the future, the Bank may be forced to raise or maintain additional capital in a manner which could materially adversely affect its business, financial condition and results of operations.

2. Risk Relating to the Bonds:

The Bonds being offered through this Disclosure Document are unsecured and RBI prescribes certain restrictions in relation to the terms of these Bonds.

All Bonds being offered are unsecured and are thus not secured by any of our assets. The claim of the holders in long term bonds being issued as bonds shall rank *pari passu* along with the claims of other uninsured, unsecured creditors of the Bank.

The Bonds shall not be redeemable at the initiative of the holder at any time during the tenure of the Bonds or otherwise. These bonds do not have any special features like Put option. Thus the Bond holder(s) would not be able to withdraw their investments in the bonds by exercise of put option.

We have appointed a Trustee to protect the interest of all the investors. In the event of default/liquidation, the Bondholders may proceed against us in the manner as may be stipulated under the Trustee Agreement to be entered into for the Issue between the Trustee and the Issuer. The Bondholders would be restricted under the Trustee Agreement from initiating proceedings against the Issuer, individually, and would need to act through the Trustee in relation thereto. The Trustee may refuse to take any action upon the instructions of the Bondholders under the Trustee Agreement unless suitably indemnified.

Payments under the Bonds may, and in some cases must, be cancelled.

The Bank may elect not to pay and, in the circumstances outlined below, must not pay, all or some of the coupon falling due on the Bonds on any coupon payment date. Any coupon not so paid on any such coupon payment date shall be cancelled and shall no longer be due and payable by the Bank. A cancellation of interest pursuant to "**Coupon Discretion**" of the summary term sheet attached herewith ("**Summary Term Sheet**") of the Bonds does not constitute a default under the Bonds for any purpose.

Pursuant to paragraph "**Coupon Discretion**" of the Summary Term Sheet of the Bonds, the Bank may only pay interest on the Bonds to such an extent that it would not likely result in losses in the current year and to the extent that payment of coupon on the Bonds would be likely to result in losses in the current year, coupon may be paid subject to availability of:

- (i) Profits brought forward from previous years, and/or

(ii) Reserves representing appropriation of net profits, including statutory reserves, and excluding share premium, revaluation reserve, foreign currency translation reserve, investment reserve and reserves created on amalgamation.

The accumulated losses and deferred revenue expenditure, if any, shall be netted off from (i) and (ii) to arrive at the available balances for payment of coupon. If the aggregate of: (a) profits in the current year; (b) profits brought forward from the previous years and (c) permissible reserves as at (ii) above, excluding statutory reserves, net of accumulated losses and deferred revenue expenditure are less than the amount of coupon, only then the bank would make appropriation from the statutory reserves.

Any actual or anticipated cancellation of coupon on the Bonds will likely have an adverse effect on the market price of Bonds. In addition, as a result of the coupon cancellation provisions of the Bonds, the market price of the Bonds may be more volatile than the market prices of other debt securities on which interest accrues that are not subject to such cancellation and may be more sensitive generally to adverse changes in the Bank's financial condition.

The terms and conditions of the Bonds do not contain any restriction on the Bank's ability to declare and pay dividends, distributions or other payments on its ordinary shares when coupon on the Bonds otherwise scheduled to be paid on a Coupon Payment Date is cancelled.

The Bank may elect not to pay and, in the circumstances described above, must not pay, all or some of the coupon falling due on the Bonds on any Coupon Payment Date. If coupon on the Bonds is cancelled, the terms and conditions of the Bonds do not contain any restriction on the Bank's ability to declare and pay dividends, distributions or other payments on its ordinary shares or perpetual non-cumulative preference shares. Accordingly, it would be possible (subject to applicable law) for the holders of the Bank's ordinary shares or perpetual non-cumulative preference shares, which rank junior to the Bonds, to receive dividends, distributions or other payments when coupon on the Bonds has been cancelled.

Potential investors should be aware that in case the Bank's capital falls below the regulatory requirements, it may not make the payment of the coupon due on the Bonds. The Bank can exercise the said right at an early stage of risk detection (for further details please refer to "Coupon Discretion" in Section VI of the Disclosure Document. In case of stress, banks can write down the principal value of the Bonds. Further, in certain circumstances, the RBI shall be entitled to determine write down of the principal value of the Debentures or require the Debentures to be adjusted in accordance with the mechanism stipulated by it. Such risks may arise due to the Bank's weak capital position or loan delinquencies (for more details please refer to "Loss Absorbency" in Section VI of the Disclosure Document.

The Bonds have no fixed maturity date and investors have no right to call for redemption of the Bonds.

The Bonds are perpetual unless the Bank elects to exercise a call option on the Bonds to the extent allowed by the terms and conditions of the Bonds. Accordingly, the Bonds have no fixed final redemption date. In addition, holders of the Bonds ("**Bondholders**") have no right to call for the redemption of the Bonds. Although the Bank may redeem the Bonds at its option, there are limitations on redemption of the Bonds, including obtaining the prior written approval of the RBI and satisfaction of any conditions that the RBI and other relevant Indian authorities may impose at the time of such approval.

Potential investors should note that in case the Bank wishes to exercise the call option due to change in the regulatory classification of the Bonds or change in, or amendment to, the laws affecting taxation, both of which occur on or after the issue date of the Bonds, the Bank shall have to take a prior approval of RBI. It is to be noted that such approvals are not routine and are at the discretion of RBI. Further, RBI shall, before providing such approvals, thoroughly consider the financial and capital position of the Bank or any other criteria it considers or deems fit. For more details on the exercise of these options, please refer to Section VI of the Disclosure Document.

The Bonds are subordinated to most of the Bank's liabilities and the terms of the Bonds contain no limitation on issuing debt or senior or *pari passu* securities.

The Bonds will constitute unsecured and subordinated obligations of the Bank which rank *pari passu* and without preference among themselves. The Bonds are not deposits and are not insured by the

Bank or guaranteed or insured by any party related to the Bank and the Issuer is prohibited under the Basel III Guidelines to grant advances against the security of the Bonds. In the event of a winding-up of the Bank's operations, the claims of the holders of the Bonds will be subordinated in right of payment to the prior payment in full of all of the Bank's other liabilities (whether actual or contingent, present or future) including all deposit liabilities and other liabilities of the Bank and all of the Bank's offices and branches. However, the Bonds are superior to the common equity shares and perpetual non-cumulative preference

Shares (if any) and shall rank *pari passu* amongst each other and with other similar debt instruments qualifying as AT1 capital in terms of the Basel III Guidelines.

As a consequence of the subordination provision, in the event of a winding-up of the Bank's operations, the holders of the Bonds may recover less rateably than the holders of deposit liabilities or the holders of the Bank's other liabilities that rank senior to the Bonds. The Bonds also do not limit the amount of liabilities ranking senior to the Bonds which may be hereafter incurred or assumed by the Bank. In accordance with the Basel III Guidelines, the Bonds will not contribute to liabilities in any balance sheet test for establishing insolvency under any law or otherwise.

The Bonds are subject to permanent or temporary write-down/ other adjustments as may be required by RBI on the occurrence of certain trigger events.

The Bonds, in compliance with the Basel III Guidelines, are required to have principal loss absorption features through (i) temporary write-down/ permanent write-down mechanism; or any other adjustment mechanism stipulated by RBI on pre specified trigger events at a point of non-viability or if the Common Equity Tier 1 (CET1) ratio (as described in the Basel III Guidelines) falls below a certain level. The write-down will:

- reduce the claim of the Bonds in liquidation;
- reduce the amount re-paid when a call is exercised; and
- partially or fully reduce coupon payments on the Bonds.

Various criteria for loss absorption through write-down / write-off/ other adjustment as stipulated by RBI on breach of pre-specified trigger and at the point of non-viability are elaborated in the Summary Term Sheet and later part of this Disclosure Document. These Bonds are being issued under various rules, regulations and guidelines issued by the RBI, including the Basel III Guidelines as amended from time to time. Bank may be forced to write-down the Bonds or to take such other action in relation to these Bonds as may be required pursuant to the law and regulations then in force and as amended from time to time

There has been no active secondary market for the Bonds.

Any issue of Bonds carried out hereunder will be a new issue of bonds and the Bonds have no established trading market. There is no assurance that a trading market for the Bonds will exist and no assurance as to the liquidity of any trading market. Although an application will be made to list the Bonds on the National Stock Exchange, there can be no assurance that an active public market for the Bonds will develop, and if such a market were to develop, there is no obligation on us to maintain such a market. The liquidity and market prices of the Bonds can be expected to vary with changes in market and economic conditions, our financial condition and prospects and other factors that generally influence market price of such instruments. Such fluctuations may significantly affect the liquidity and market price of the Bonds, which may trade at a discount to the price at which you purchase the Bonds.

3. Risks Relating to Our Business

Our results of operations depend to a significant extent on net interest income, which in turn is sensitive to a number of factors, including changes in interest rates. Any changes in the interest rate environment that may cause the costs from our interest-bearing liabilities to increase disproportionately to the income from our interest-earning assets may adversely impact our business and financial results.

Our results of operations depend to a great extent on our net interest income. Net interest income represents the excess of interest earned from interest-bearing assets (performing loans and

investments) over the interest paid on interest bearing liabilities, including customer deposits and borrowings. Interest rates are highly sensitive to many external factors beyond our control, including growth rates in the economy, inflation, money supply, the RBI's monetary policies, deregulation of the financial sector in India, domestic and international economic and political conditions and other factors.

We face maturity and interest rate mismatches between our assets and liabilities .

We meet our funding requirements through short and long-term deposits from retail and large corporate depositors as well as wholesale interbank deposits. Our depositors may not roll over term deposits on maturity and we may be otherwise unable to increase our term deposits in which case our liquidity position could be adversely affected and we may be required to pay higher interest rates in order to attract and/or retain further deposits, which could have a material adverse effect on our business, financial results and the price of the Equity Shares.

We face risks associated with our vehicle financing business, which accounts for a substantial portion of our total advances.

A significant portion of our advances is comprised of loans issued for the purchase of new and used commercial vehicles, construction, earth-moving and material handling equipment, small commercial vehicles, utility vehicles, two-wheelers and cars. As on December 31, 2016, our vehicle financing advances were 41.71% of our total advances. We could also be adversely affected by a decrease in demand for financing of vehicles arising from increasing consumer affordability for such vehicles or other reasons.

If we are not able to control the level of non-performing assets in our portfolio, our business will suffer.

Increases in the level of non-performing loans can affect our business. Various factors, including a rise in unemployment, prolonged recessionary conditions, our regulators' assessment and review of our loan portfolio, a sharp and sustained rise in interest rates, developments in the Indian economy, movements in global commodity markets and exchange rates and global competition, could cause an increase in the level of our nonperforming assets and have a material adverse impact on the quality of our loan portfolio.

The level of restructured loans in our portfolio may increase and the failure of our restructured loans to perform as expected could affect our business.

Our standard assets include restructured standard loans. As a result of a slowdown in economic activity, rising interest rates and the limited ability of corporations to access capital in view of the volatility in global and domestic financial markets, there has been an increase in restructured loans in the banking system as well as in our portfolio.

PRODUCTS AND SERVICES

It has been the Bank's objective to spread its geographical presence in 647 locations and adequately support its business.

Transaction Banking Group

Our transaction banking business unit provides various products and services, including cash management services, remittance services, electronic banking, trade services, commodity finance and supply chain finance to customers in our corporate and commercial banking and consumer banking business units.

Cash management services

We offer cash management solutions to our corporate customers through our wide distribution network, backed by a modern transaction processing system and an electronic and mobile delivery platform. Our dedicated cash management product team structures solutions to meet customer requirements. We offer a wide range of receivables, payables and liquidity management products and services, such as dividend payments, collections for initial public offerings and other securities transactions, escrow

agency and settlement banking. Our advanced internet banking portals ("Indus Online" and "Indus Direct") enable corporate customers to initiate and execute payment transactions, view account statements and wide variety of customised reports. These channels are seamlessly integrated with corporate customers' ERP platforms. Our correspondent banking relationships with banks worldwide widen our geographical coverage to provide these services.

We also have four currency chests located at Mumbai, Chennai, Delhi and Kolkata to cater to the requirements of customers who transact large quantities of cash. We use the currency chest to manage excess cash from nearby branches and to service customers with higher cash deposits for a fee, while meeting a part of our statutory cash reserve ratio requirements.

Trade services and supply chain finance

We issue letters of credit and guarantees, provide export credit, and facilitate domestic and cross border trade services and trade credits for our corporate customers. We also provide supply chain financing services through channel finance and supplier finance programmes.

Our supply chain finance solutions seek to enable customers in the manufacturing sector to negotiate preferential purchase terms and strengthen channel relationships. For suppliers, our solutions seek to provide cost-effective financing of trade receivables.

Overview and History

The Bank is a leading private sector bank and financial services company in India offering a wide range of products and services to corporate and retail customers through a variety of delivery channels. The Bank commenced operations in January 1994 as part of the group of nine "New Private Sector Banks" licensed by the Government of India as part of its economic liberalization programme. The Bank has grown both in terms of the size of its asset base and its physical network of branches and ATMs.

Ownership

Our promoters are IndusInd International Holdings Ltd. and its subsidiary, IndusInd Ltd. Both our promoters are organized in Mauritius. As of March 31, 2017, our promoters held 14.98% of our Equity Shares. In 2003, IndusInd Enterprises & Finance Limited, a non-banking financial company and one of our promoters, merged with us. In 2004, Ashok Leyland Finance Limited, a non-banking financial company controlled by the Hinduja Group, merged with us. Such mergers served to expand our capital base. In addition, as a result of the merger with ALFL, we established our leadership position in consumer finance. Our Equity Shares are listed on the BSE and the NSE.

Business Expansion and activities

In March 2007, we issued 29,490,300 Equity Shares in connection with an issuance and listing of global depositary receipts, each representing one Equity Share, at an offer price of US\$1.147 per global depositary receipt, aggregating approximately US\$33.83 million in proceeds. In June 2008, we issued 35,192,064 Equity Shares in connection with another issuance and listing of global depositary receipts, each representing one Equity Share, at an offer price of US\$1.47 per global depositary receipt, aggregating approximately US\$51.73 million in proceeds. All such global depositary receipts representing our Equity Shares are listed on the Luxembourg Stock Exchange. In August 2009, we issued 54,897,140 Equity Shares at an offer price of Rs. 87.50 per Equity Share to certain qualified institutional investors in a qualified institutions placement in reliance on Chapter XIII-A of the Securities and Exchange Board of India (Disclosure and Investor Protection) Guidelines, 2000, as amended, aggregating approximately Rs. 4,80.35 crores. In September 2010, we issued 50,000,000 Equity Shares at an offer price of Rs. 234.55 per Equity Share to certain qualified institutional investors in a qualified institutions placement in reliance on Chapter VIII of the ICDR Regulations aggregating approximately Rs. 1172.75 Crores. In December 5, 2012, the Bank had issued 5,21,000 equity shares of Rs. 10/- each through a Qualified Institutions Placement at a price of Rs. 384.00 per share, aggregating to Rs. 2000.64 Crores in reliance on Chapter VIII of the ICDR Regulations. In June 2015, through a Qualified Institutions Placement (QIP), Rs.4,327.98 crores were raised on allotment of 5,12,18,640 equity shares of Rs.10/- each at a price of Rs.845.00 per share. In August 2015, through a Preferential Allotment, Rs.752.74 crores were raised from the promoters on allotment of 87,81,360 equity shares of Rs.10/- each at a price of Rs.857.20 per share, aggregating to Rs.752.74 crores.

The Bank does not have any subsidiary. ALF Insurance Services Private Limited, formerly a wholly owned Subsidiary of the Bank, though incorporated many years ago, did not commence business and was liquidated in June 2016.

Several new members of our senior management team joined us in February 2008, including our Managing Director & Chief Executive Officer and other members who joined us from a competitor foreign bank in India. The team formulated our growth strategy, which emphasized restructuring our balance sheet and business mix, improving operating efficiency, leveraging our distribution network and resources, deepening existing customer relationships, increasing our hiring of employees to support our strategy and expansion and improving our brand. Our current strategy is "Market Share with Profitability" with an underlying theme of "Intelligent Domination and Specialisation."

The Reserve Bank has issued a notification under FEMA vide Notification No. FEMA.339/2015-RB dated March 02, 2015 setting out RBI regulations relating to financial institutions set up in International Financial Services Centres (IFSC). Indian banks authorized to deal in foreign exchange are eligible to set up IBUs. Each of the eligible banks has been permitted to establish one IBU in each IFSC. Bank has

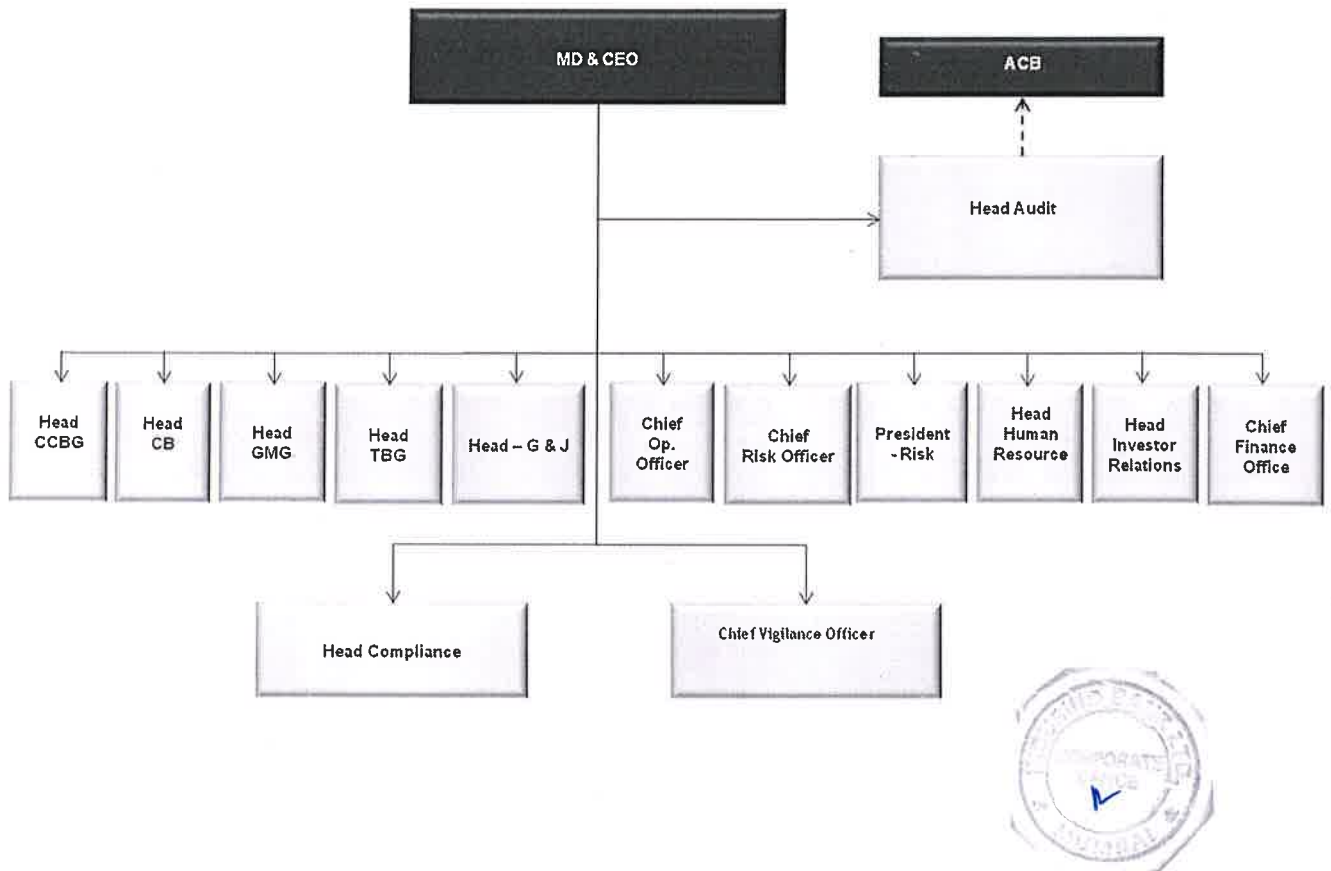

obtained the approval of Reserve Bank for opening an IBU under Section 23 (1) (a) of the Banking Regulation Act, 1949.

On June 28, 2016, the Bank started its IBU operations with an initial capital of USD 20 million, being the Minimum capital prescribed by the RBI, after complying with all regulatory requirements such as laying down credit and risk policies.

The Bonds being offered as part of the Issue are subject to the provisions of the Act, the Memorandum and Articles of Association of the Issuer, the terms of this Disclosure Document, Application Form and other terms and conditions as may be incorporated in the Transaction Documents.

Undertaking by the Issuer

The Issuer undertakes that:

- The complaints received in respect of the Issue shall be attended to by the Bank expeditiously and satisfactorily;
- The Bank shall take all steps for completion of formalities for listing and commencement of trading at the National Stock Exchange within the specified time.
- The funds required for dispatch of refund orders shall be made available to the Registrar to the Issue by the Issuer Company;
- No further issue of securities shall be made till the securities offered through this Disclosure Document are listed or till the application moneys are refunded on account of non-listing, under-subscription, etc;
- Necessary co-operation to the credit rating agency (ies) shall be extended in providing true and adequate information till the debt obligations in respect of the instrument are outstanding.

Mode of Transfer/Transmission of Bonds

The Bonds shall be transferable freely. The Bond (s) shall be transferred and/or transmitted in accordance with the applicable provisions of the Act and other applicable laws. The Debentures held in dematerialized form shall be transferred subject to and in accordance with the rules/procedures as prescribed by NSDL/CDSL and the relevant DPs of the transferor or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, amounts due will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the R&T Agent as on the Record Date, under all circumstances. In cases where the transfer formalities have not been completed by the transferor, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer. The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debentures held in dematerialised form. The seller should give delivery instructions containing details of the buyer's DP account to his DP.

Market Lot

The market lot will be one Bond ("Market Lot"). Since the bonds are being issued only in dematerialised form, the odd lots will not arise either at the time of issuance or at the time of transfer of bonds.

Bonds held in Dematerialised Form

The Bonds shall be held in dematerialised form and no action is required on the part of the Bond Holder(s) for redemption purposes and the redemption proceeds will be paid by cheques, demand drafts, interest/ redemption warrants, pay order, direct credit, ECS, NEFT, RTGS, other online payment mechanism as are permitted by the Reserve Bank of India to those Bond Holder(s) whose names appear on the list of beneficiaries maintained by the R&T Agent. The names would be as per the R&T Agent's records on the Record Date fixed for the purpose of redemption. All such bonds will be simultaneously redeemed through appropriate debit corporate action.

The list of beneficiaries as of the Record Date setting out the relevant beneficiaries' name and account number, address, bank details and DP's identification number will be given by the R&T Agent to the Issuer. If permitted, the Issuer may transfer payments required to be made in any relation by cheques, demand drafts, interest/ redemption warrants, pay order, direct credit, ECS, NEFT, RTGS, other online payment mechanism as are permitted by the Reserve Bank of India.

Trustees for the Bondholders

The Bank has appointed Beacon Trusteeship Ltd. to act as Trustees for the Bond Holders. The Bank and the Trustees will enter into a Trustee Agreement, inter alia, specifying the powers, authorities and obligations of the Trustees and the Bank. The Debenture Holders shall, without further act or deed, be deemed to have irrevocably given their consent to the Trustees or any of their agents or authorized officials to do all such acts, deeds, matters and things in respect of or relating to the Bond as the Trustees may in their absolute discretion deem necessary or require to be done in the interest of the Bond Holder(s). Any payment made by the Bank to the Trustees on behalf of the Bond Holder(s) shall discharge the Bank pro tan to the Bond Holder(s).

The Trustees will protect the interest of the Bond Holder s with regard to timely payment of interest and repayment of principal and they will take necessary action at the cost of the Bank.

Sharing of Information

The Issuer may, at its option, but subject to applicable laws, use on its own, as well as exchange, share or part with any financial or other information about the Bond Holder(s) available with the Issuer, with its subsidiaries and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither the Issuer nor its subsidiaries and affiliates nor their agents shall be liable for use of the aforesaid information.

Debenture Holder not a Shareholder

The Debenture Holder(s) shall not be entitled to any right and privileges of shareholders other than those available to them under the Act. The Debentures shall not confer upon the Debenture Holders the right to receive notice(s) or to attend and to vote at any general meeting(s) of the shareholders of the Issuer.

Rights of Debenture Holders

The Debentures shall not, except as provided in the Companies Act, 2013 ("Act") confer upon the holders thereof any rights or privileges available to the members of the Bank including the right to receive Notices or Annual Reports of, or to attend and/or vote, at the General Meeting of the Bank. However, if any resolution affecting the rights attached to the Debentures is to be placed before the shareholders, the said resolution will first be placed before the concerned registered Debenture Holders for their consideration.

The rights, privileges and conditions attached to the Debentures may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the Debentures or with the sanction of Special Resolution passed at a meeting of the concerned Debenture Holders, provided that nothing in such consent or resolution shall be operative against the Bank, where such consent or resolution modifies or varies the terms and conditions governing the Debentures, if the same are not acceptable to the Bank.

The registered Debenture holder or in case of joint-holders, the one whose name stands first in the Register of Debenture Holders shall be entitled to vote in respect of such Debentures, either in person or by proxy, at any meeting of the concerned Debenture Holders and every such holder shall be entitled to one vote on a show of hands and on a poll, his/her/its voting rights shall be in proportion to the outstanding nominal value of Debentures held by him/her/it on every resolution placed before such meeting of the Debenture Holders.

The quorum for such meetings shall be at least five Debenture Holder present in person or as may be prescribed by law from time to time or all the members if the total number of members is less than 5.

The Debentures are subject to the provisions of the Companies Act, 2013, the Memorandum and Articles, the terms of this Disclosure Document and Application Form. Over and above such terms and conditions, the Debentures shall also be subject to other terms and conditions as may be incorporated in the Trustee Agreement/ Letters of Allotment, guidelines, notifications and regulations relating to the issue of capital and listing of securities issued from time to time by the Government of India and/or other authorities and other documents that may be executed in respect of the Debentures.

Save as otherwise provided in this Disclosure Document, the provisions contained in the Companies Act, 2013 and the rules there under as prevailing and to the extent applicable, will apply to any meeting of the Debenture Holders, in relation to matters not otherwise provided for in terms of the Issue of the Debentures.

A register of Debenture Holders will be maintained in accordance with provisions of the Act and all interest and principal sums becoming due and payable in respect of the Debentures will be paid to the registered holder thereof for the time being or in the case of joint-holders, to the person whose name stands first in the Register of Debenture Holders. The Debenture Holders will be entitled to their Debentures free from equities and/or cross claims by the Bank against the original or any intermediate holders thereof.

Joint Holders

Where two or more persons are holders of any Debenture(s), they shall be deemed to hold the same as joint tenants with benefits of survivorship subject to other provisions contained in the Articles.

Modification of Debentures

The Debenture Trustee and the Issuer will agree to make any modifications in the Disclosure Document which in their opinion is of a formal, minor or technical nature or is to correct a manifest error.

Any other change or modification to the terms of the Debentures shall require approval by the Majority Debenture Holders.

Right to accept or reject Applications

The Bank reserves the right at its sole and absolute discretion to accept subscription amount(s). The Board of Directors/Committee of Directors reserves its full, unqualified and absolute right to accept or reject any application for subscription to the Debentures, in part or in full, without assigning any reason thereof.

The rejected applicants will be intimated along with the refund warrant, if applicable, to be sent. The Application Forms that are not complete in all respects are liable to be rejected and would not be paid any interest on the application money. Application would be liable to be rejected on one or more technical grounds, including but not restricted to:

- Number of Debentures applied for is less than the minimum application size;

The funds in the Issue Proceeds Account will only be released to the Issuer upon allotment of the Debentures to all the successful applicants, in accordance with the terms of the Transaction Documents.

Eligible Investors

All Eligible Investors (as specified under Summary Term Sheet) are required to comply with the relevant regulations/guidelines applicable to them for investing in this issue of Debentures.

Note: Participation by potential investors in the issue may be subject to statutory and/or regulatory requirements applicable to them in connection with subscription to Indian securities by such categories of persons or entities. Applicants are advised to ensure that they comply with all regulatory requirements applicable to them, including exchange controls and other requirements. Applicants ought to seek independent legal and regulatory advice in relation to the laws applicable to them.

Procedure for Applying for Dematerialised Facility

- The applicant must have at least one beneficiary account with any of the DP's of NSDL/CDSL prior to making the application.
- The applicant must necessarily fill in the details (including the beneficiary account number and DP - ID) appearing in the Application Form under the heading "Details for Issue of Debentures in Electronic/Dematerialised Form".
- Debentures allotted to an applicant will be credited to the applicant's respective beneficiary account(s) with the DP.
- For subscribing to the Debentures, names in the Application Form should be identical to those appearing in the details in the Depository. In case of joint holders, the names should necessarily be in the same sequence as they appear in the account details maintained with the DP.
- Non-transferable allotment advice/refund orders will be directly sent to the applicant by the R&T Agent to the Issue.
- If incomplete/incorrect details are given under the heading "Details for Issue of Debentures in Electronic/Dematerialised Form" in the Application Form, it will be deemed to be an incomplete application and the same may be held liable for rejection at the sole discretion of the Issuer.
- For allotment of Debentures, the address, nomination details and other details of the applicant as registered with his/her DP shall be used for all correspondence with the applicant. The applicant is therefore responsible for the correctness of his/her demographic details given in the Application Form vis-a-vis those with his/her DP. In case the information is incorrect or insufficient, the Issuer would not be liable for the losses, if any.
- The redemption amount or other benefits would be paid to those Debenture Holders whose names appear on the list of beneficial owners maintained by the R&T Agent as on the Record Date. In case of those Debentures for which the beneficial owner is not identified in the records of the R&T Agent as on the Record Date, the Issuer would keep in abeyance the payment of the redemption amount or other benefits, until such time that the beneficial owner is identified by the R&T Agent and conveyed to the Issuer, whereupon the redemption amount and benefits will be paid to the beneficiaries, as identified.

Depository Arrangements

The Issuer shall make necessary arrangement with CDSL and NSDL for issue and holding of Debenture(s) in dematerialised form.

List of Beneficiaries

The Issuer shall request the R&T Agent to provide a list of beneficiaries as at the end of each Record Date. This shall be the list, which will be used for payment or repayment of redemption monies.

Application under Power Of Attorney

A certified true copy of the power of attorney or the relevant authority as the case may be along with the names and specimen signature(s) of all the authorized signatories of the Investor and the tax exemption certificate/document of the Investor, if any, must be lodged along with the submission of the completed Application Form. Further modifications/additions in the power of attorney or authority should be notified to the Issuer or to its agents or to such other person(s) at such other address(es) as may be specified by the Issuer from time to time through a suitable communication.

In case of an application made by companies under a power of attorney or resolution or authority, a certified true copy thereof along with memorandum and articles of association and/or bye-laws along with other constitutional documents must be attached to the Application Form at the time of making the application, failing which, the Issuer reserves the full, unqualified and absolute right to accept or reject any application in whole or in part and in either case without assigning any reason thereto. Names and specimen signatures of all the authorized signatories must also be lodged along with the submission of the completed Application Form.

Procedure for application by Mutual Funds and Multiple Applications

In case of applications by mutual funds and venture capital funds, a separate application must be made in respect of each scheme of an Indian mutual fund/venture capital fund registered with the SEBI and such applications will not be treated as multiple application, provided that the application made by the asset management company/trustee/custodian clearly indicated their intention as to the scheme for which the application has been made.

The application forms duly filled shall clearly indicate the name of the concerned scheme for which application is being made and must be accompanied by certified true copies of:

- SEBI registration certificate
- Resolution authorizing investment and containing operating instructions
- Specimen signature of authorized signatories

Applications by Provident Funds, Superannuation Funds and Gratuity Funds

The Government of India has permitted Provident, Pension, Superannuation and Gratuity Funds, subject to their assessment of the risk-return prospects, to invest in the Debentures and securities issued by private sector organisation as per their respective investment guidelines.

Future Borrowings

The Bank shall be entitled to borrow/ raise loans or avail of financial assistance in whatever form as also issue Debentures/ Debentures/ Notes other securities in any manner with ranking as pari-passu basis or otherwise and to change its capital structure, including issue of shares of any class or redemption or reduction of any class of paid up capital, on such terms and conditions as the Bank may think appropriate, without the consent of, or intimation to, the Debenture holder(s) or the Trustees in this connection

Prohibition on Purchase / Funding of Instruments

Neither the Bank nor a related party over which the bank exercises control or significant influence (as defined under relevant Accounting Standards) shall purchase the instrument, nor can the Bank directly or indirectly fund the purchase of the instrument. Banks shall also not grant advances against the security of the debt instruments issued by them.

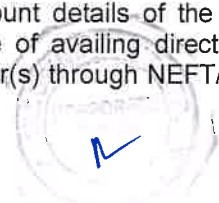

Documents to be provided by Investors

Investors need to submit the following documents, as applicable:

- Memorandum and Articles of Association or other constitutional documents
- Resolution authorising investment
- Power of Attorney to custodian
- Specimen signatures of the authorised signatories
- SEBI registration certificate (for Mutual Funds)
- Copy of PAN card
- Application Form (including RTGS/ NEFT details)
- Tax exemption certificate for those desiring tax need not be deducted at source

Applications to be accompanied with Bank Account Details

Every application shall be required to be accompanied by the bank account details of the applicant and the magnetic ink character reader code of the bank for the purpose of availing direct credit of redemption amount and all other amounts payable to the Debenture Holder(s) through NEFT/RTGS.

Succession

In the event of winding-up of the holder of the Debenture(s), the Issuer will recognize the executor or administrator of the concerned Debenture Holder(s), or the other legal representative as having title to the Debenture(s). The Issuer shall not be bound to recognize such executor or administrator or other legal representative as having title to the Debenture(s), unless such executor or administrator obtains probate or letter of administration or other legal representation, as the case may be, from a court in India having jurisdiction over the matter.

The Issuer may, in its absolute discretion, where it thinks fit, dispense with production of probate or letter of administration or other legal representation, in order to recognize such holder as being entitled to the Debenture(s) standing in the name of the concerned Debenture Holder on production of sufficient documentary proof and/or an indemnity.

Mode of Payment

All payments must be made through NEFT/RTGS as set out in the Application Form.

Interest on Application Money:

Interest on applicable money will be the Coupon Rate (subject to deduction of tax at source at the rate prevailing from time to time under the provisions of the Income Tax Act, 1961 or any other statutory modification or re-enactment thereof) from the date of realization of the funds up to (but excluding) the Date of Allotment. Where an applicant is allotted a lesser number of Debentures than applied for, the excess amount paid on application will be refunded to the applicant and the cheque towards interest on the refunded money will be dispatched by registered post along with the letter of allotment. In all cases, the interest instruments will be sent, at the sole risk of the applicant. All the payments shall be made by electronic mode only; however in case the same is not possible, in that event only bank shall issue a cheque/DD/Interest warrant.

Effect of Holidays

In the event that any of the Coupon payment dates does not fall on a Business Day or any day on which Real Time Gross Settlement (RTGS) or high value clearing does not take place in Mumbai, for any reason whatsoever, the immediately succeeding Business Day shall be considered as the effective date(s) for that payment; Provided that interest shall be payable by the Company for such additional period which additional interest shall be deducted out of the interest payable during the immediately succeeding Due Date.

In the event that any of the principal payment dates/ accelerated redemption date (as applicable in terms of the Issue) does not fall on a Business Day or any day on which Real Time Gross Settlement (RTGS) or high value clearing does not take place in Mumbai, for any reason whatsoever, the immediately preceding Business Day shall be considered as the effective date(s) for that payment; Provided, that the interest payable on such principal amount shall be calculated up to but excluding the date of payment of such principal amount.

In case the Call Option Date (if exercised) does not fall on a Business Day, the payment will be made on the preceding Business Day, along with coupon/interest accrued on the Bonds until but excluding the date of such payment.

In the event that any of the Record Dates does not fall on a Business Day, the immediately succeeding Business Day shall be considered as the Record Day for the purposes of the Transaction Documents.

Tax Deduction at Source

In Terms of Section 193 of Income Tax Act, 1961, tax has to be deducted at source from the interest on securities at the rates prescribed. Further, the proviso to the said Section 193 enlists the securities where tax need not be deducted at source.

Finance Act 2008 has inserted clause (viii) under the proviso to Section 193, which reads as under:

“Any interest payable on any security issued by a company, where such security is in dematerialized form and is listed on a recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 and rules made there under.”

The amendment, which is effective 1st June 2009, will have following implications:

- Taxes will not be deducted at source by the Bank from interest paid on Debentures, which are listed on the recognized stock exchanges and held in dematerialized form by investors.

However in future, if there is any change in Income Tax Act, 1961, or any other statutory modification or reenactment thereof which requires to deduct tax at source (TDS) then Bank will be deducted TDS at source. For seeking TDS exemption/lower rate of TDS, relevant certificate(s)/document(s) must be lodged 30 days before the Coupon Date or 31st March whichever is earlier, each financial year. Tax exemption certificate on interest on application money, should be submitted along with the Application Form. Where any deduction of Income Tax is made at source, the Bank shall send to the Debenture holder(s) a Certificate of Tax Deduction at Source. Those desirous of claiming tax exemptions on interest on application money are required to submit a certificate, if any issued by the Income Tax Officer or a declaration/other document conforming tax exemption along with the Application Form.

Letters of Allotment

Each of the Debenture Holders shall be issued proof of allotment of Debentures by way of a physical letter of allotment which shall be issued by the Issuer to the said Debenture Holders on the Date of Allotment. The beneficiary account of the investor(s) with National Securities Depository Limited (NSDL)/ Central Depository Services (India) Limited (CDSL)/ Depository Participant will be, on completion of all statutory formalities, and in no event later than 2 (Two) Business Days from the Date of Allotment, credited with the actual number of Debentures issued to them.

Deemed Date of Allotment

All the benefits under the Debentures will accrue to the Investor from the specified Deemed Date of Allotment.

Record Date

The 'Record Date' will be 15 (Fifteen) Days prior to date of any payment in relation to the Debentures, as the case may be.

Refunds

In case the Issuer has received money from applicants for Debentures in excess of the aggregate of the application money relating to the Debentures in respect of which allotments have been made, the Registrar shall upon receiving instructions in relation to the same from the Issuer repay the moneys to the extent of such excess, if any.

Pan Number

Every applicant should mention its Permanent Account Number ("PAN") allotted under Income Tax Act, 1961, on the Application Form and attach a self-attested copy as evidence. Application forms without PAN will be considered incomplete and are liable to be rejected.

Servicing behaviour on existing debt securities, payment of due interest on due dates on term loans and debt securities

As on date of this Disclosure Document, no payment of principal has fallen due on any debt securities issued by the Bank in the past. The Bank has a consistent record of paying interest on its existing debt securities on respective due dates and no default has been committed by the Bank in servicing of its debt liabilities.

Alterations to the Issue

The Company reserves its sole and absolute right to modify the Issue Opening Date, Issue Closing Date, Pay-In Date and Deemed Date of Allotment without giving any reason or prior notice. In such a case, recipients of this Disclosure Document shall be intimated the revised time schedule by the Company. In case the issue Closing Date/ Pay-In Date is/ are changed, the Deemed Date of Allotment and the dates on which the coupon payments are to be made on the Debentures etc may also be changed by the Company in accordance with the tenure of the Debentures at its sole and absolute discretion.

Disclaimer: Please note that only those persons to whom this memorandum has been specifically addressed are eligible to apply. However, an application, even if complete in all respects, is liable to be rejected without assigning any reason for the same. The list of documents provided above is only indicative, and an investor is required to provide all those documents / authorizations / information, which are likely to be required by the Issuer. The Issuer may, but is not bound to revert to any investor for any additional documents / information, and can accept or reject an application as it deems fit. **Subjected to a Limited Review by the Auditors for the quarter ended December 31, 2016.

**Pursuant to RBI circular FMRD.DIRD. 10/14.03.002/2015-16 dated May 19, 2016, the Bank has, with effect from October 3, 2016, considered its repo / reverse repo transactions under Liquidity Adjustment Facility (LAF) and Marginal Standing Facility (MSF) of RBI as Borrowings / Lending, as the case may be. Consequently, interest expended on repo borrowings with RBI is included under 'Interest Expended' and interest earned on reverse repo with RBI is included under 'Interest Earned-Interest on Balances with Reserve Bank of India and other inter-bank funds'. Hitherto, the repo / reverse repo transactions were included under 'Investments' and interest thereon was included under 'Interest Earned - Income on Investments'. Figures for the previous periods have been regrouped / reclassified to conform to current period's classification. The above regrouping / reclassification has no impact on the profit of the Bank for the quarter ended December 31, 2016 or the previous periods. **Pursuant to RBI

circular DBR.BP.BC.No.31/21.04.018/2015-16 dated July 16, 2015, the Bank has, with effect from September 30, 2015, included its deposits placed with NABARD, SIDBI and NHB on account of shortfall in lending to priority sector under 'Other Assets'. Hitherto these were included under 'Investments' and interest income thereon was included under 'Interest Earned-Income on Investments'. Arising out of regrouping in line with above mentioned RBI guidelines, interest income on deposits placed with NABARD, SIDBI and NHB is included under 'Interest Earned-Others'. Figures for the previous periods have been regrouped / reclassified to conform to current period's classification. The above change in classification has no impact on the profit of the Bank for the year ended March 31, 2016 and March 31, 2015.

****Effective July 01, 2015, the Bank has regrouped sourcing costs relating to small ticket retail loan origination and bank charges incurred by the Consumer Finance Division under "Operating Expenses" which were hitherto netted off from 'Other income' in order to be aligned with practice followed by the industry. Figures for the previous periods have been regrouped / reclassified accordingly. This change in classification has no impact on the profit of the Bank for the year ended March 31, 2016 and March 31, 2015.**

Cross Default	N.A.
Dividend Stopper	<p>If any interest is cancelled, then from the date of which such cancellation has first been notified (a "Dividend Stopper Date"), the Bank will not:</p> <ol style="list-style-type: none"> 1. Declare or pay any discretionary distribution or dividend or make any other payment on, or directly or indirectly redeem, purchase, cancel, reduce or otherwise acquire its Common Equity Tier 1 Capital (other than to the extent that any such distribution, dividend or other payment is declared before such Dividend Stopper Date or where the terms of the instrument do not at the relevant time enable the Bank to cancel or defer such payment); or 2. Pay discretionary interest or any other distribution on, or directly or indirectly redeem, purchase, cancel, reduce or otherwise acquire, any of its instruments or securities ranking, as to the right of payment of dividend, distributions or similar payments, pari passu with the Bonds (excluding securities the terms of which stipulate mandatory redemption). <p>In each case unless or until:</p> <ol style="list-style-type: none"> 1. The occurrence of the next Coupon Payment Date, following the Dividend Stopper Date, on which payment of Coupon amount has resumed and such Coupon (payable on such Coupon Payment Date) has been paid in full; 2. The prior approval of the Bondholders has been obtained via an extraordinary resolution. It is hereby clarified that Coupon on the Bonds shall not be cumulative. If Coupon is cancelled or not paid or paid at a rate lesser than the Coupon Rate, such unpaid and/or cancelled Coupon will not be paid in future years. <p>For the avoidance of doubt, the Dividend Stopper will not:</p> <ol style="list-style-type: none"> 1. Stop payment on another instrument where the payments on such an instrument are not fully discretionary; 2. prevent distributions to shareholders for a period that extends beyond the point in time at which interest on the Bonds is resumed; 3. Impede the normal operation of the Bank, including actions in connection with employee share plans or any restructuring activity, including acquisitions and disposals; or 4. Impede the full discretion that the Bank has, at all times, to cancel distributions or payments on the Bonds nor act in a way that could hinder the recapitalization of the Bank.
Role and Responsibilities of Trustees to the Issue	<p>The Trustees shall perform its duties and obligations and exercise its rights and discretions, in keeping with the trust reposed in the Trustees by the holder(s) of the Bonds and shall further conduct itself, and comply with the provisions of all applicable laws, provided that, the provisions of Section 20 of the Indian Trusts Act, 1882, shall not be applicable to the Trustees. The Trustees shall carry out its duties and perform its functions as required to discharge its obligations under the terms of SEBI Debt Regulations, the Securities and Exchange Board of India (Debenture Trustees) Regulations, 1993, the Debenture Trusteeship Agreement, Disclosure Document and all other related transaction documents, with due care, diligence and loyalty.</p>

Coupon Discretion	<p>Exercise of Coupon Discretion by the Bank will be subject to the conditions set out in Basel III Guidelines, as amended from time to time.</p> <p>In terms of the extant Basel III Guidelines, exercise of Coupon Discretion will be subject to the conditions mentioned below:</p> <ol style="list-style-type: none"> 1. The Bank shall have full discretion at all times to cancel distributions/payments. Consequence of full discretion at all times to cancel distributions/payments is that "dividend pushers" are prohibited. An instrument with a dividend pusher obliges the issuing bank to make a dividend/coupon payment on the instrument if it has made a payment on another (typically more junior) capital instrument or share. This obligation is inconsistent with the requirement for full discretion at all times. On cancellation of distributions /payments these payments will be extinguished and the Bank shall have no obligation to make distributions / payments in kinds as well. 2. Cancellation of discretionary payments will not be an event of default. 3. Bank will have full access to cancelled payments, to meet obligations as they fall due. 4. Cancellation of distributions/payments will not impose any restriction on the Bank except in relation to distributions to common stakeholders. 5. Coupons shall be paid out of „distributable items“ i.e. coupon shall be paid out of current year profits. However, if current year profits are not sufficient, coupon may be paid subject to availability of: <ol style="list-style-type: none"> a) Profits brought forward from previous years; and/or b) Reserves representing appropriation of net profits, including statutory reserves, and excluding share premium, revaluation reserve, foreign currency translation reserve, investment reserve and reserves created on amalgamation. <p>The accumulated losses and deferred revenue expenditure, if any, shall be netted off from (i) and (ii) to arrive at the available balances for payment of coupon.</p> <p>If the aggregate of: (a) profits in the current year; (b) profits brought forward from the previous years and (c) permissible reserves as at (ii) above, excluding statutory reserves, net of accumulated losses and deferred revenue expenditure are less than the amount of coupon, only then the Bank shall make appropriation from the statutory reserves. In such a case, the Banks shall be required to report to the Reserve Bank of India within 21 days from the date of such appropriation in compliance with Section 17(2) of the Banking Regulation Act 1949. However, prior approval of the Reserve Bank of India for appropriation of reserves as above, in terms of circular no. DBOD.BP.BCNo.31/21.04.018/2006-07 dated September 20, 2006 on "Section 17(2) of Banking Regulation Act, 1949" on Appropriation from Reserve Fund" shall not be required in this regard.</p> <p>However, payment of coupon on PDIs from the reserves are subject to the Bank meeting minimum regulatory requirements for CET1, Tier 1 and Total Capital ratios at all times and subject to the requirements of capital buffer frameworks (i.e. capital conservation buffer, counter cyclical capital buffer and Domestic Systemically Important Banks).</p> <ol style="list-style-type: none"> 1. The Bonds shall not have a credit sensitive coupon feature, i.e. a coupon that is reset periodically based in whole or in part on the

	<p>Banks" credit standing. For this purpose, any reference rate including a broad index which is sensitive to changes to the Bank's own creditworthiness and/ or to changes in the credit worthiness of the wider banking sector will be treated as a credit sensitive reference rate.</p> <ol style="list-style-type: none"> The coupon on the Bonds shall be non-cumulative. If coupon is not paid or paid at a rate lessor than the coupon rate, the unpaid coupon will not be paid in future years. In the event that the Bank determines that it will be cancelling a payment of coupon on the Bonds, the Bank will notify the Trustee not less than 15 calendar days prior to the relevant Coupon Payment Date of that fact and of the amount that shall not be paid.
Loss Absorption	<p>These instruments have principal loss absorption at an objective pre-specified trigger point ("Pre-Specified Trigger Event") through a write-down mechanism which allocates losses to the instrument.</p> <p>The write-down will have the following effects:</p> <ol style="list-style-type: none"> reduce the claim of the instrument in liquidation; reduce the amount re-paid when a call is exercised; and partially or fully reduce coupon/dividend payments on the instrument. <p>The write down in case of pre-specified trigger point will be temporary and in case of PONV trigger event will be permanent.</p>
Loss Absorption at the Pre-Specified Trigger Event	<p>If a Pre-Specified Trigger Event (as described below) occurs, the Issuer shall:</p> <ol style="list-style-type: none"> notify the Trustee; cancel any coupon which is accrued and unpaid to as on the Pre-Specified Trigger event date; and without the need for the consent of Bondholders or the Trustee, write down the outstanding principal of the Bonds by such amount as the Issuer may in its absolute discretion decide. However, the aggregate amount to be written-off for all AT1 instruments on breaching the trigger level must be at least the amount needed to immediately return the bank's CET1 to the trigger level or, if this is not possible, the full principal value of the instruments. Further, the Bank will have full discretion to determine the amount of AT1 instruments to be written-down subject to the amount of write-down not exceeding the amount which would be required to bring the CET1 to the regulatory levels <p>Level of Pre- Specified Trigger and amount of Equity to be created by write-down</p> <ol style="list-style-type: none"> The pre-specified trigger for loss absorption through write-down of these bonds is Common Equity Tier 1 capital at regulatory levels. The regulatory level for this purpose as per the extant Basel III Guidelines is if the Common Equity Tier 1 capital of the Bank falls below 5.5% of RWA before 31st March, 2019 and if Common Equity Tier 1 capital falls below 6.125% of RWA on or after 31st March 2019. The Write-down of any Common Equity Tier 1 capital shall not be required before a write-down of any Additional Tier 1 capital instrument. The write-down mechanism (temporary) which allocates losses to the Additional Tier 1 instruments (AT1 instruments) must generate Common Equity Tier 1 (CET1) under Indian Accounting Standards.

3. When The Bank breaches the pre-specified trigger of loss absorbency of AT1 and the equity is replenished through write-down, such replenished amount of equity will be excluded from the total equity of the Bank for the purpose of determining the proportion of earnings to be paid out as dividend in terms of rules laid down for maintaining capital conservation buffer. However, once the bank has attained total Common Equity ratio of 8% without counting the replenished equity capital, that point onwards, the bank may include the replenished equity capital for all purposes (If the total CET1 ratio of the bank falls again below regulatory levels, it would include the replenished capital for the purpose of applying the capital conservation buffer framework).
4. The write-down may be allowed more than once in case Bank hits the pre-specified trigger level subsequent to the first write-down which was partial.
5. The write-down of AT1 instruments are primarily intended to replenish the equity in the event it is depleted by losses. Therefore, Bank will not use write-down of AT1 instruments to support expansion of balance sheet by incurring further obligations / booking assets.

(a) Treatment of Debentures in the event of Winding-Up:

If Bank goes into liquidation before the AT1 instruments have been written-down, these instruments will absorb losses in accordance with the order of seniority indicated in the term sheet and as per usual legal provisions governing priority of charge

If Bank goes into liquidation after the AT1 instruments have been written-down, the holders of these instruments will have no claim on the proceeds of liquidation.

(b) Amalgamation of a banking company: (Section 44 A of BR Act, 1949)

If Bank is amalgamated with any other bank before the AT1 instruments have been written-down, these instruments will become part of the corresponding categories of regulatory capital of the new bank emerging after the merger.

If Bank is amalgamated with any other Bank after the AT1 instruments have been written-down temporarily, the amalgamated entity can write-up these instruments as per its discretion.

If the Bank is amalgamated with any other bank after the AT 1 instruments have been written-down permanently, these instruments cannot be written up by the amalgamated entity.

(c) Scheme of reconstitution or amalgamation of a banking company: (Section 45 of BR Act, 1949)

If the relevant authorities decide to reconstitute Bank or amalgamate Bank with any other Bank under the Section 45 of Banking Regulation Act, 1949, such a bank will be deemed as non-viable or approaching non-viability and both the pre-specified trigger and the trigger at the point of non-viability for write-off / other adjustment of these instruments will be activated. Accordingly, these instruments will be fully written-off permanently / adjusted in such other manner as stipulated by RBI before amalgamation / reconstitution in accordance with these rules.

	<p>The order will be according to the Basel III Guidelines, as amended from time to time, and the order as per the extant Basel III Guidelines is mentioned in the Summary Term sheet/ Disclosure Document.</p> <p>Reinstatement: Following a write-down pursuant to above conditions (temporary write-down), the outstanding principal amount of the Bonds may be increased in accordance with RBI guidelines. Bonds may be subject to more than one Reinstatement.</p>
Loss Absorption at Point of Non-Viability (" PONV ")	<p>If a PONV Trigger Event (as described below) occurs, the Issuer shall:</p> <ol style="list-style-type: none"> 1. notify the Trustee; 2. cancel any coupon which is accrued and unpaid on the Bonds as on the write-down date; and 3. Without the need for the consent of Bondholders or the Trustee, write-off of the outstanding value of the Bonds by such amount as may be prescribed by RBI ("PONV Write off Amount") or adjust the Bonds in any other manner as required by the RBI at the relevant time. <p>A write-off / other adjustment may occur on more than one occasion.</p> <p>Once the principal of the Bonds have been written-off/ adjusted in any other manner stipulated by the RBI, pursuant to PONV Trigger Event, the PONV Write-off Amount will not be restored in any circumstances, including where the PONV Trigger Event has ceased to continue.</p> <p>If the Issuer is amalgamated with any other bank pursuant to Section 44 A of the Banking Regulation Act, 1949 (the BR Act) before the Bonds have been written off, the Bonds will become part of the Additional Tier 1 capital of the new bank emerging after the merger.</p> <p>If the Issuer is amalgamated with any other bank after the Bonds have been written off permanently pursuant to a PONV Trigger Event, these cannot be reinstated by the amalgamated bank.</p> <p>If the RBI or other relevant authority decides to reconstitute the Issuer or amalgamate the Issuer with any other bank, pursuant to Section 45 of the BR Act, the Issuer will be deemed as non-viable or approaching non-viability and the PONV Trigger Event will be activated. Accordingly, the Bonds will be permanently written-off in full prior to any reconstitution or amalgamation.</p> <p>Write off for PONV means full and permanent write off.</p> <p>These instruments, at the option of the Reserve Bank of India will be written off or adjusted in such other manner as required by the RBI upon the occurrence of the trigger event, called the Point of Non-Viability "PONV Trigger Event" stipulated below:</p> <p>The PONV Trigger event is the earlier of:</p> <ol style="list-style-type: none"> 1. a decision that full permanent write-off/ other adjustment as stipulated by the RBI, without which the Bank would become non-viable, is necessary, as determined by the Reserve Bank of India; and

- 2 the decision to make a public sector injection of capital, or equivalent support, without which the Bank would become non-viable, as determined by the relevant authority.

The Write-off of any Common Equity Tier 1 capital will not be required before the write-off of these instruments.

Such a decision would invariably imply that the write-off/ other adjustment stipulated by RBI consequent upon the trigger event must occur prior to any public sector injection of capital so that the capital provided by the public sector is not diluted.

The Bondholders shall not have any residual claims on the Bank (including any claims which are senior to ordinary shares of the Bank), following any trigger event. In any case it should be noted that following writing-off or any other stipulated adjustment, the instruments and claims and demands as noted above neither the Bank, nor any other person on the Bank's behalf shall be required to compensate or provide any relief, whether absolutely or contingently, to the Bondholder or any other person claiming for or on behalf of or through such holder and all claims and demands of such persons, whether under law, contract or equity, shall stand permanently and irrevocably extinguished and terminated. Unless otherwise specified in this Disclosure Document, the write-off of any common equity or any other regulatory capital (as understood in terms of the aforesaid circular or any replacement/amendment thereof), whether senior or pari passu or subordinate, and whether a Tier 1 capital or otherwise shall not be required before the write-off of any of the Bonds and there is no right available to the Bondholder hereof or any other person claiming for or on behalf of or through such holder to demand or seek that any other regulatory capital be subject to prior or simultaneous write-off or that the treatment offered to holders of such other regulatory capital be also offered to the Bondholders.

The order of write down of these instruments will be according to the Basel III Guidelines, as amended from time to time, and the order as per the extant Basel III Guidelines is mentioned in the Term sheet/ Disclosure Document.

RBI may in its imminence alter or modify the PONV trigger whether generally or in relation to the Bank or otherwise. In any case it should be noted that following writing-off of the Bonds and claims and demands as noted above neither the Bank, nor any other person on the Bank's behalf shall be required to compensate or provide any relief, whether absolutely or contingently, to the Bondholder or any other person claiming for or on behalf of or through such holder and all claims and demands of such persons, whether under law, contract or equity, shall stand permanently and irrevocably extinguished and terminated.

A non-viable bank will be:

A bank which, owing to its financial and other difficulties, may no longer remain a going concern on its own in the opinion of the Reserve Bank unless appropriate measures are taken to revive its operations and thus, enable it to continue as a going concern. The difficulties faced by a bank should be such that these are likely to result in financial losses and raising the Common Equity Tier 1 capital of the bank should be considered as the most appropriate way to prevent the bank from turning non-viable. Such measures would include write-off/ combination with or without other measures as considered appropriate by the Reserve Bank.

Bank facing financial difficulties and approaching PONV will be deemed to achieve viability if within a reasonable time in the opinion of Reserve Bank; it will be able to come out of the present difficulties if appropriate measures are taken to revive it. The measures including augmentation of equity capital through write-off / any other adjustment as stipulated by RBI /public sector injection of funds are likely to:

- a. Restore depositors"/investors" confidence;
- b. Improve rating /creditworthiness of the bank and thereby improve its borrowing capacity and liquidity and reduce cost of funds; and
- c. Augment the resource base to fund balance sheet growth in case of fresh injection of funds.

The amount of non-equity capital to be written-off will be determined by RBI.

When Bank breaches the PONV trigger and the equity is replenished through write-off or any other form of adjustment as stipulated by RBI, such replenished amount of equity will be excluded from the total equity of the bank for the purpose of determining the proportion of earnings to be paid out as dividend in terms of rules laid down for maintaining capital conservation buffer. However, once the bank has attained total Common Equity ratio of 8% without counting the replenished equity capital, that point onwards, the bank may include the replenished equity capital for all purposes.

Criteria to Determine the PONV:

When the bank is adjudged by Reserve Bank of India to be approaching the PONV trigger event, or has already reached the PONV, but in the views of RBI:

- a. There is a possibility that a timely intervention in form of capital support, with or without other supporting interventions, is likely to rescue the bank; and
- b. If left unattended, the weaknesses would inflict financial losses on the bank and, thus, cause decline in its common equity level.

The purpose of write-off/ any other adjustment as stipulated by RBI, of these Instruments will be to shore up the capital level of the Bank.

RBI would follow a two-stage approach to determine the non-viability of Bank as under:

The Stage 1 assessment would consist of purely objective and quantifiable criteria to indicate that there is a prima facie case of a bank approaching non-viability and, therefore, a closer examination of the bank's financial situation is warranted.

The Stage 2 assessment would consist of supplementary subjective criteria which, in conjunction with the Stage 1 information, would help in determining whether the bank is about to become non-viable. These criteria would be evaluated together and not in isolation.

Once the PONV is confirmed, the next step would be to decide whether rescue of the bank would be through write-off alone or write-off in conjunction with a public sector injection of funds or any other adjustment as may be stipulated by the RBI.

The trigger at PONV will be evaluated both at consolidated and solo level and breach at either level will trigger write-off/ any other form of adjustment as stipulated by the RBI.

As the capital adequacy is applicable both at solo and consolidated levels, the minority interests in respect of capital instruments issued by subsidiaries of banks including overseas subsidiaries can be included in the consolidated capital of the banking group only if these instruments have pre-specified triggers (in case of AT1 capital instruments) / loss absorbency at the PONV (for all non-common equity capital instruments). In addition, where a bank wishes the instrument issued by its subsidiary to be included in the consolidated group's capital in addition to its solo capital, the terms and conditions of that instrument must specify an additional trigger event.

This additional trigger event is the earlier of:

- a. a decision that a write-off or any other form of adjustment as stipulated by the RBI, without which the Bank or the subsidiary would become non-viable, is necessary, as determined by the Reserve Bank of India; and
- b. the decision to make a public sector injection of capital, or equivalent support, without which the Bank or the subsidiary would become non-viable, as determined by the Reserve Bank of India. Such a decision would invariably imply that the write-off or or any other form of adjustment as stipulated by the RBI consequent upon the trigger event must occur prior to any public sector injection of capital so that the capital provided by the public sector is not diluted.

In such cases, the subsidiary would obtain its regulator's approval/no-objection for allowing the capital instrument to be written-off at the additional trigger point referred to in paragraph above.

If Bank goes into liquidation before the AT1 instruments have been written-off, these instruments will absorb losses in accordance with the Basel III Guidelines, as amended from time to time, and the order as per the extant Basel III Guidelines is indicated in the Disclosure Document and as per usual legal provisions governing priority of charges.

If Bank goes into liquidation after the AT1 instruments have been written-off, the holders of these instruments will have no claim on the proceeds of liquidation.

(a) Amalgamation of a banking company: (Section 44 A of BR Act, 1949)

If Bank is amalgamated with any other bank before the AT1 instruments have been written-off, these instruments will become part of the corresponding categories of regulatory capital of the new bank emerging after the merger.

If Bank is amalgamated with any other bank after these instruments have been written-off permanently, these cannot be written-up by the amalgamated entity.

(b) Scheme of reconstitution or amalgamation of a banking company: (Section 45 of BR Act, 1949)

If the relevant authorities decide to reconstitute Bank or amalgamate Bank with any other Bank under the Section 45 of BR Act, 1949, such a Bank will be deemed as non-viable or approaching non-viability and both the

	<p>pre-specified trigger and the trigger at the point of non-viability write-off or any other form of adjustment as stipulated by the RBI of these instruments will be activated. Accordingly, these instruments will be fully written-off or any other form of adjustment as stipulated by the RBI, permanently before amalgamation / reconstitution in accordance with these rules.</p>
Decision to Write Down	<p>The decision of write-down (permanent or temporary) shall be exercised across all investors of these Instruments;</p> <p>The write down/ write-off will generate CET-1 under applicable Indian Accounting Standards equal to write down amount, net of taxes, if any;</p> <p>The aggregate amount of write down/ write-off for all these instruments on breaching the trigger level shall be at least the amount needed to immediately return the Bank's CET-1 Ratio to the trigger level (as set out in the Basel II Guidelines from time to time), or if this is not sufficient, the full principal value of these instruments.</p>
Other Events	<p><i>Treatment of Debentures in the event of Winding-Up:</i></p> <p>(a) If the Bank goes into liquidation before the Bonds have been written-down, the Bonds will absorb losses in accordance with the order of Seniority as specified in this Information Memorandum and as per usual legal provisions governing distribution in a winding up.</p> <p>(b) If the Bank goes into liquidation after the Bonds have been written-down, the Bondholders will have no claim on the proceeds of liquidation.</p> <p>Amalgamation of a banking company: (Section 44 A of BR Act, 1949)</p> <p>Subject to the provisions Banking Regulation Act, 1949 as amended from time to time:</p> <p>(a) If the Bank is amalgamated with any other bank before the Bonds have been written-down, the Bonds will become part of the corresponding categories of regulatory capital of the new bank emerging after the merger.</p> <p>(b) If the Bank is amalgamated with any other bank after the Bonds have been written-down temporarily, the amalgamated entity can write-up the Bonds as per its discretion.</p> <p>(c) If the Bank is amalgamated with any other bank after the Bonds have been written-down permanently, these Bonds cannot be written up by the amalgamated entity.</p> <p>Scheme of reconstitution or amalgamation of a banking company</p> <p>Subject to the provisions of Banking Regulation Act, 1949 as amended from time to time:</p> <p>If the relevant authorities decide to reconstitute the Bank or amalgamate the Bank with any other bank under the Section 45 of BR Act, 1949, the Bank will be deemed as non-viable or approaching non-viability and both the pre-specified trigger and the trigger at the point of non-viability for write-down/ any other adjustment as prescribed by RBI, of AT1 instruments will be activated. Accordingly, the Bonds will be fully adjusted/written-down permanently, in such other manner as stipulated by RBI before amalgamation / reconstitution in accordance with these rules.</p>

Repurchase/ Buy-Back / Redemption	<p>The outstanding Principal of the Bonds (e.g. through repurchase or redemption) can be repaid subject to the prior approval of RBI. The Bank shall repurchase/ Buy-Back / Redeem these bonds only if:</p> <ol style="list-style-type: none"> The Bonds are replaced with capital of the same or better quality and the replacement of this capital is done at conditions which are sustainable for the income capacity of the Bank; or The Bank demonstrates that its capital position is well above the minimum capital requirements after the repurchase/buy-back / redemption. <p>Such Bonds may be held, reissued, resold, extinguished or surrendered, at the option of the issuer.</p> <p>(These repurchases / buy-back /redemption of the principal are in a situation other than in the event of exercise of call option by the bank.</p> <p>One of the major differences is that in the case of the former, the option to offer the instrument for repayment on announcement of the decision to repurchase / buy-back /redeem the instrument, would lie with the investors whereas, in case of the latter, it lies with the bank)</p>
Governing Law & Jurisdiction	<p>The Bonds are governed by and shall be construed in accordance with the laws of India. Any dispute arising thereof shall be subject to the jurisdiction of courts of Mumbai, Maharashtra</p>
Regulatory Guidelines	<p>The terms of the proposed issue are intended to be consistent with guidelines of RBI. Hence, in case of any doubt/discrepancy, the applicable RBI guidelines will prevail.</p>

Dear Mr. Bhandari,

Re: CRISIL Rating for the Rs.1000 Crore Tier-I Bonds (under Basel III) of IndusInd Bank Limited

We refer to your request for a rating for the captioned Debt instrument.

CRISIL has, after due consideration, assigned a "CRISIL AA/Stable" (pronounced "CRISIL double A rating with stable outlook") rating to the captioned Debt instrument. Instruments with this rating are considered to have high degree of safety regarding timely servicing of financial obligations. Such instruments carry very low credit risk.

As per our Rating Agreement, CRISIL would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which CRISIL believes may have an impact on the rating.

Further, in view of your decision to accept the CRISIL Rating, we request you to apprise us of the instrument details (in the enclosed format) as soon as it has been placed. In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from CRISIL will be necessary.

As per the latest SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable CRISIL to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us for any clarifications you may have at debtissue@crisil.com

Should you require any clarifications, please feel free to get in touch with us.

With warm regards,

Yours sincerely,

Associate Director - CRISIL Ratings

A CRISIL rating reflects CRISIL's current opinion on the likelihood of timely payment of the obligations under the rated instrument and does not constitute an audit of the rated entity by CRISIL. CRISIL ratings are based on information provided by the issuer or obtained by CRISIL from sources it considers reliable. CRISIL does not guarantee the completeness or accuracy of the information on which the rating is based. A CRISIL rating is not a recommendation to buy, sell, or hold the rated instrument; it does not comment on the market price or suitability for a particular investor. All CRISIL ratings are under surveillance. Ratings are revised as and when circumstances so warrant. Dear Mr. Bhandari,

Re: Rating of IndusInd Bank Limited's debt instrument

India Ratings communicates 'IND AA' to IndusInd Bank's INR20bn Basel III Additional Tier 1 bonds. The outlook is stable.

Out of the above rated amount the bank has issued INR10bn of the debt.

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. ~~Further ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.~~

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always

consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings' ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating to investors.

It is important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please contact us at +91 22 4000 1700.
